We encourage and support the development of the sacramental life of each member in our communities through liturgical, education, social and service activities. The stewardship of our time, our talents and our treasures expresses the continuous accountability to God and the shared responsibility to each other, to our communities and to the world.*

A Family Perspective

When Jesus called his disciples, they came “immediately.” Parents wish their children would respond as quickly, but they don’t. Children grow slowly into responsibility. It is a process like walking, not done “immediately”, but in small steps. Parenting demands patient encouragement.

2019 FUND DRIVE RESULTS: Our 2019 Annual Fund Drive came to a close with us meeting 65% of our \$40,000 goal. We were able to raise \$26,000.00. This greatly helps us keep our school viable. We want to thank everyone very much for all of your support this past year. It is just another reminder of what great and generous people we have in our St. Louis family. As a reminder, all of you who have supported this fund drive will be remembered on Sunday, August 2nd and your names will be placed on the Honor Roll of Donors list, which is hanging in the school basement. May God bless all of you for your generosity.

Please keep our St. Louis Parish and School in

your prayers. You are in ours,
