***Mission:** We, the members of St. Louis Catholic Church, come together under the guidance of the Holy Spirit, to promote the mission of Jesus Christ. We encourage and support the development of the sacramental life of each member in our communities through liturgical, education, social and service activities. The stewardship of our time, our talents and our treasures expresses the continuous accountability to God and the shared responsibility to each other, to our communities and to the world.*

WE ALL HAVE routines, rituals, and rhythms that are negative. They have power over us. They have central places in our story. They stop us from becoming the-best-version of ourselves. These negative patterns are so easy to fall into. Everything bad is a distortion of something good. Routines, rituals, and rhythms are a powerful force for good in our lives. They are central to creation, and therefore part of God's ingenious plan for you and me. What are the positive patterns in your life? They may be simple and seemingly insignificant, but they glue your life together in a profoundly positive way. It could be driving your kids to school, reading the newspaper in your pajamas on Saturday, what you eat for breakfast, walking the dog, making love to your spouse, or reading before you go to bed. Each of these is an informal routine or ritual. They create powerful rhythms in our lives, and together these routines, rituals, and rhythms hold our lives together in ways we will probably never understand.

Once a priest retires he is responsible for his own personal expenses: medical, housing, car, clothing and food. All funds contributed from now until December 31, 2023 help reduce the amount the parish contributes to the fund. A gift of cash or check can be sent to Perpetuate The Gift, PO Box 954, Toledo, OH 43697 and placed in the envelope found attached to the bulletin. A Family Perspective

Today's gospel speaks about "unworthy wedding guests." What makes a "worthy" guest? Presence and presents are not enough. The greatest gift we can give is support to the couple as they voyage through life together because marriage naturally contains within it the fields of disappointment. Think of the wedding you have attended. Have you been a "worthy guest?"
