HOW AVAILABLE are you to God at this time in your life? Think on it. Pause. It is impossible to measure, but you have a sense. Are you 20 percent, 50 percent, 80 percent, 96.4 percent? What is holding you back from making yourself 100 percent available to God? What would it take for you to make yourself 100 percent available? What are you afraid of losing or missing out on? What are you unwilling to give up for God? What's the danger of making yourself 100 percent available to him? What is the downside of giving it a try and seeing what happens?
